*Wind cancellation*

*300-foot range with most Bluetooth devices*

*Six hours of talk time*

# Bluetooth Headset

For Bluetooth® connectivity, Avtec offers the Whisper HZ850 Bluetooth Headset.

The device combines wind-canceling, 4-mic CrystalTalk™ technology with a movable mic to support audio quality. The Whisper HZ850 Bluetooth Headset, which provides a 300-foot roaming area, connects to nearly all other Bluetooth-enabled devices.

### NOTE

This headset does not have PTT functionality.
