

Features

Single or wide treadle foot pedal

"Push On - Release Off" action

Two holes for rigid mounting to floor or equipment

Splash resistant construction

Non-skid base pad

10-foot cable

Connects via USB cable directly into the Scout Console computer

USB Footswitch

Built to last, the Scout Console USB Footswitch, available in wide treadle and standard, is constructed of cast iron with a durable black finish featuring a non-skid base pad.

Both the single and the wide treadle footswitch connect directly into the Scout Console computer via USB cable. Used in conjunction with the Avtec USB Desk Mic (ACCUSB-MIC), these USB footswitches can be mounted to the floor allowing hands-free PTT operation. Scout's Software Media Workstation supports up to two USB footswitches.

GENERAL SPECIFICATIONS

PHYSICAL

Dimensions (H/W/L): Single: 1.5 in x 3.5 in x 4.5 in; Wide: 1.78 in x 7.0 in x 5.5 in

Weight: Single: 2.25 lbs; Wide: 3.25 lbs

Color: Black

Standard Warranty: 1 year

FUNCTIONAL SPECIFICATIONS

ELECTRICAL

Connectivity: 10 ft (3.05 m) USB 2.0 A attached cable

Power Source: +5V DC via USB @ 100mA max
